Park City Nursery's "Partnership" Guarantee

Park City Nursery Guarantees all plant material to be healthy and true to name when leaves the Nursery. Park City Nursery offers a 90 day, 50% guarantee (does not cover planting fees). Due to the nature of our climate, the success of the plants depends largely on the care they receive from the purchaser- proper watering, location, fertilizing, etc. Our policy is a 50-50 partnership with the customer. This guarantee applies ONLY to trees, shrubs, and hardy evergreens. No guarantee is made on annuals, perennials, miscellaneous items stocked in the heat of the summer (Tropical plants and hanging baskets, etc.) Seed and plants not hardy for our area. All claims must be accompanied with the receipt and the plant. If the plant is not dead but suffering from shock due to improper handling, you will be advised as to how to nurse it back to health- it is always good to call before you remove a plant. Sometimes shocked plants will lose all their leaves yet come back as vital as ever.

If you call us within the 90 day grace period, we will send a member of our staff to assess your problem and possibly extend our partnership policy with you until June 1 of the following season.

NO CASH REFUNDS

Park City Nursery Extended Warranty

Park City Nursery offers an extended warranty at the time of purchase for an additional 50% of the cost of each plant. It is good for one full year from date of purchase and worth 100% of plant material (does not cover the planting fees). All claims must be accompanied with Sales Receipt and the plant. Under NO circumstances will Park City Nursery be liable for more than the original purchase price of the plants.

Hold Orders/ Special Orders

A 25% non-refundable down payment is required to tag plant material. No plant will be held for more than 7 days unless arrangements have been made. Any special orders (Plants & items not normally stocked by Park City Nursery) require a 50%, non- refundable down payment.

Does Not Apply to Truckload sale. Full Payment upon purchase.
